1. QUESTION

Is the subject task order for Administrative Support Service for Code 31 a new requirement or a Recompete of a current ongoing task order?

ANSWER

This is a recompete of the services currently being provided by Megatech, Inc.

2. QUESTION

The solicitation says in 4.5.1 that the availability of any required computer resources while working in Government facilities should be verified in advance. Is there computer resources or does the contractor need to provide one? If so, what exactly would be necessary for the job to be done as needed?

ANSWER

Section 4.5.1, Facilities, Supplies and Services, states who is responsible for providing the PC and Section 4.5.4, Equipment, states how it should be charged to the contract. Refer to the entire solicitation for an explanation of the requirements and performance of the contract.
